

FINANCE YOUR PROJECT TODAY!

3 CONVENIENT PAYMENT OPTIONS TO CHOOSE FROM

Installed projects only.

WITH PAYMENTS AND DEFERRED INTEREST FOR 6 MONTHS

A required monthly payment with no interest due during the promotional period. If the promotional purchase is paid off in full prior to the promotional due date, all of the accrued interest is waived. Interest will be charged starting from the date of the funding on all remaining balances not paid by the end of the promotional period. Other purchases and balances must be kept current by the customer to take advantage of this offer.

WITH PAYMENTS AND DEFERRED INTEREST FOR 12 MONTHS

A required monthly payment with no interest due during the promotional period. If the promotional purchase is paid off in full prior to their promotional due date, all of the accrued interest is waived. Interest will be charged starting from the date of the funding on all remaining balances not paid by the end of the promotional period. Other purchases and balances must be kept current by the customer to take advantage of this offer.

STANDARD PLAN: PRIME + 14.73%

The Prime Rate for a billing period is the highest bank prime loan rate as published in the Money Rates section of the Wall Street Journal on the fifth business day before the first day of that billing period. The annual percentage rate will never go below 21.98%.
